Julie Felix – Year of the Tiger

Julie Felix, one of the great names of the 1960s folk scene, brings her exceptional skills as a songwriter, vocalist and performer to Theatre Royal Winchester for her *Year of the Tiger* tour.

Unlike many of her contemporaries, **Julie Felix** continues to go from strength to strength, bringing her voice to new generations of folk music fans with as much energy and freshness as ever. Her repertoire is particularly noted for its reinterpretation of the songs of Bob Dylan, including *Forever Young*, which has now become a Felix classic.

Three decades may have slipped away since she took folk into the mainstream but Felix's inspirational music continues to communicate with and move audiences across all barriers of age, race and class.
